“CHOSEN FOR A PURPOSE”

Melissa Gold: Chosen for a Purpose!
Many are chosen but only few will surpass the true test and continue to aspire in God’s will and grace.

Diligently making her chosen path with God, 15 year old Melissa Gold is one of the Springdale, Arkansas Corps Cadets who continues to shine at her Corps.

The passion and commitment she extends to her various tasks, her love for God, and respect for others has given her a role model status for the young people. She is also involved in Girl Guards and teaches our Junior Soldier Prep classes.

At school, she is a witness to her friends and is a hardworking student. She stays busy at home helping her family with housework being the second out of six brothers and sisters.

Recently she attended the AOK Youth Holiness Retreat at Camp Heart O’Hills where she deepened her relationship with God affirming she is part of a chosen people. She loves to praise God through the arts.

May God continue to bless and equip Melissa for the great plans He has in store for her.
