

## Expecting Jesus

**Monthly Focus**  
Prayer – A Two-Way  
Conversation

**Week 2**  
Mission (Option 2)

**Scripture Focus**  
Acts 1:12 – 14 and  
Acts 2: 1 – 4

Read the scripture passages listed above and remind the teens about how powerful prayer is. Remind them that times of prayer are often followed by powerful acts. Hopefully over the past two weeks they have begun to grasp a little bit about how it can change lives, communities and churches.

**Note:** You may have to adjust the time of your meeting this week.

Get together about 30 to 45 minutes before a Holiness meeting or some other weekly corps activity that involves not just the teens but the entire church.

This day, ask them to devote themselves in prayer for the meeting that is going to happen. Remind them of some of the Scripture passages you prayed together as a group out loud. Give them some specific things for which they can pray. If a program is available, give one of those to each teen. Ask them to listen while they pray. God will let them know how they should pray and might even give them a vision for what the meeting could hold if the Holy Spirit moves.

15 minutes or so before the meeting begins, gather the teens back together to talk about what God said. Help them test what they heard and to enter into the meeting expectant.
